PREFACE

Welcome to the Pilar Nusa Mandiri: Journal of Computing and Information System. This journal, with e-ISSN 2527-6514 and p-ISSN 1978-1946, is published biannually in March and September. The current issue, March 2024 (Vol. 20 No. 1), exemplifies our steadfast commitment to advancing knowledge in pivotal fields such as Artificial Intelligence System, Genetic Algorithms, Information Systems, Technology Management, Designing Information Systems, Data Mining, Business Intelligence, Image Processing, Database System, and Decision Support System.

In this issue, we present a collection of scholarly articles that delve into cutting-edge research and innovative practices across these domains. Each contribution reflects rigorous inquiry and thoughtful exploration, aiming to address contemporary challenges and contribute to the evolving landscape of computing and information systems.

We extend our gratitude to the authors, reviewers, and editorial team whose dedication has made this publication possible. Their expertise and commitment ensure that Pilar Nusa Mandiri remains a vital platform for disseminating impactful research and fostering intellectual discourse.

We invite readers, researchers, and practitioners alike to explore the insights and findings presented in this issue, confident that they will find inspiration and knowledge that enriches their understanding and informs their practice.

Thank you for your continued support and interest in Pilar Nusa Mandiri: Journal of Computing and Information System.

Warm regards,

Editor-in-Chief
